

The Shkagamik-Kwe Health Centre is currently accepting applications from interested, qualified individuals for the position of:

ONE (1) PART-TIME POSITION - PSYCHOLOGIST

SHKAGAMIK-KWE HEALTH CENTRE

The Shkagamik-Kwe Health Centre (SKHC) provides a wide range of programming services including traditional healing, health promotion, chronic disease management, family-focused maternal/child health care, addictions counselling, mental wellness care, diabetes care, youth empowerment and many other programs. These are provided in a culturally safe manner to the urban aboriginal population living in the City of Greater Sudbury and partner First Nations.

All services are based on implementing best practices for community health care while prioritizing the incorporation of traditional teachings, cultural value systems and traditional healing methods of Aboriginal values emphasizing the connectedness of emotional, spiritual, physical and mental well-being. This unique approach is what makes SKHC so important to the area's Aboriginal population. We provide these services and activities in a culturally safe environment that honours the teachings of our ancestral relations.

POSITION SUMMARY

The Psychologist will work with the FASD Multidisciplinary Team, providing clinical assessment for Fetal Alcohol Spectrum Disorder according to evidence based best practice standards, primarily with a pediatric population aged 18 years and younger, and with adults as needed.

The Psychologist will work in collaboration with the diagnostic team to review results of direct and indirect assessment including a review of historical psychosocial data to help the client and family understand the client's strengths and needs and provide integrative strategies and recommendations for the child/youth and family. All assessment materials would be included, including manuals and protocols.
